Members with an excellent Risk Based score will receive a discount off the base rate. Members with past credit issues who qualify for a loan may pay a higher rate than the base rate.

** 70% of Market Value of home less the balance due on 1st Mortgage, for qualifying members with a lower Risk Based score.

HOME EQUITY LOAN FEES

NMLS# 1028565

Upon credit approval, the borrower is responsible for paying an Application fee of \$385.00. The Application fee must be paid upon credit approval of the loan application before the loan processing can be continued. The Application fee is non-refundable.

The Application fee covers the cost of the title search of the property, flood and census tract reports, and determination of the market value of the property, so that the available equity of the property can be calculated to determine the amount that can be borrowed. A full URAR appraisal (inside appraisal) may be requested by the applicant to determine the market value of the property, but the applicant will be responsible for the additional cost of the URAR appraisal. If it is determined during the title search of the property that Title Insurance is required, the cost of the Title Insurance will be the responsibility of the applicant. [The cost of the Title Insurance is dependent upon the amount borrowed and the rates are set by the state of Pennsylvania.

If upon completion of the determination of the market value of the home, it is determined that there is not enough available equity in the home for the loan amount requested, the applicant is still responsible for payment of the Application fee. The Application fee is non-refundable.

The home to be used as collateral for the Home Equity loan MUST be OWNER occupied and in the state of Pennsylvania and the Allegheny Health Services Employees F.C.U. must be 1st or 2nd lien holder on the property when the lien is recorded on the deed. If it is discovered during the title search that there already exists a 1st and 2nd lienholder on the property, one of the two lienholders must be paid off so that the Allegheny Health Services Employees F.C.U. can be recorded as either 1st or 2nd lienholder. If neither the 1st or 2nd existing lienholder will be paid off prior to or as a result of this Home Equity loan, the Home Equity loan cannot be processed, and the Application fee is non-refundable.

Loans will also be subject to the inclusion of a "Mortgage Recording Fee" which will be added into the loan amount at the Closing and Distribution of the loan, or, can be paid by the borrower. In addition, loans will also be subject to the inclusion of a "Satisfaction Recording Fee" at the time of payoff of the loan to the applicable municipality in which the property resides. {Mortgage Recording Fees and Satisfaction Recording Fees vary by municipality and are subject to change by the municipality}

I understand that I am responsible for payment of the Application fee of \$385.00 even if it is determined that there is not enough available equity in my home, or if I choose to cancel the loan after the title search or market value determination has been done, or if neither the 1st or 2nd existing lienholder will be paid off prior to or as a result of this Home Equity loan. I also understand loans are subject to the inclusion of a "Mortgage Recording Fee" which will be added into the loan amount at the Closing and Distribution of the loan; and also subject to a "Satisfaction Recording Fee" at the time of payoff of the loan to the applicable municipality in which the property resides.
